

Conditions of participation

Young dental technicians working in Switzerland are eligible to participate. The specified deadlines must be strictly complied with. If the work is not submitted or not submitted on time, we reserve the right to demand the return of the provided intro kit. The intro kit may be kept when participating in the competition. Participation at the Dental Bern from 2-4.4.2020 is obligatory for the three finalists – we ask participants to save these dates. The participants agree that their work will be showcased at the Dental Bern. In addition, the works as well as portraits of the participants will be published on the social media as well as on the CM website and, if appropriate, in print media. Legal recourse is excluded. Swiss law shall apply exclusively.

We are searching for young talents.

Register **now**
and **become**
a «**Challenger**»!

Are you a
«young technician»
and have you
talent in ceramic veneering,
which you want to prove?

Time schedule

13

January

Registration deadline

Register now!

Following receipt of the confirmation of participation we will send you the intro kit and you can start.

24

February

Deadline for entries

Your work must have been received by us.

1

March

Preliminary judging

The three finalists will be selected in a preliminary judging meeting. Maybe your work is among them!

2-4

April

Grand Final Dental Bern

The three finalists will work live on a second task.

On Friday afternoon, the big awards ceremony will be held at the Dental Bern.

This is how it works

- Layer a maxillary tooth 1 with our press ceramic system Livento® press and Soprano® 10.
- We will provide you with the processing material - an intro kit of our Livento® press and Soprano® 10 press ceramic system. After submitting the crown, you may keep the intro kit.
- The works will be showcased at the Dental Bern. Three of the submitted works will be selected by a jury of experts in the lead-up to the trade fair. If you are one of the finalists, we will inform you by mid-March.
- These three finalists will compete in the grand final and create a second work at the CM stand at the Dental Bern.
- On Friday afternoon of the Dental Bern, the expert jury will select the winner of the CM Challenge live on-site.

Public Award

All participants whose works are showcased have the opportunity of winning the Public Award. The public chooses their favourite on-site. The votes will also be counted on Friday afternoon at the Dental Bern.

Exciting prizes await you

- The winner will receive a trip to the IDS 2021 including two overnight stays in a hotel worth approx. CHF 2000.
- The winner of the Public Award will receive participation at a CM Academy course (www.cm-academy.ch)
- Fame and honour at the Dental Bern and a presence in various media
- Many interesting contacts

Are you interested, but need more information?
